

# Fully Automatic And Efficient Silvery White Paper Straw Carboard Packer

## Specifications :

Price	Contact us
Brand Name	JHD
Place of Origin	China
Min.Order Quantity	1
Payment Terms	T/T,L/C,D/P
Supply Ability	100
Delivery Detail	20days--35days
Packaging Details	Wooden case or wooden pellets depended on clients' require

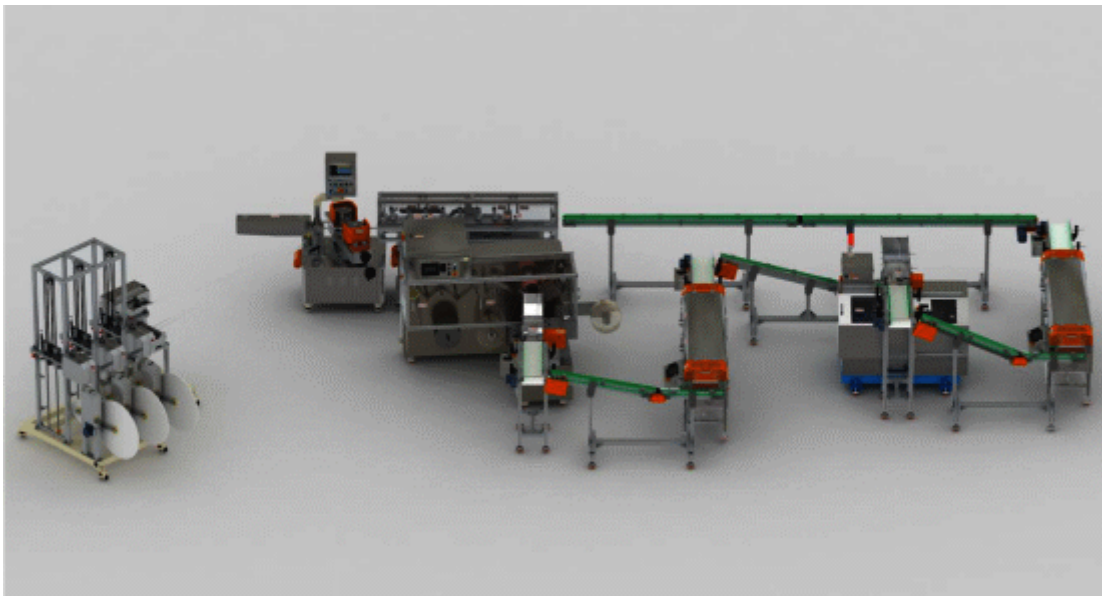

## Detail Introduction :

### Summary

JHD devoted ourselves to mechanical industry for many years?our company owns world class equipment and advanced quality management system. JHD has independently developed and produced Paper Straw Carboard Packer and exported our products to more than 30 countries,we are expecting become your long term partner in China, the following is about the Paper Straw Carboard Packer?hope to help you better understand it .

### 1.Product Introduction of Paper Straw Carboard Packer

Automatic Paper Straw Carboard Packer can greatly improve the automation degree of U-shaped straw production line. Paper Straw Carboard Packer is used to replace traditional manual packing, thereby freeing the hands of personnel, saving labor costs, and increasing output. It solves the phenomenon of uneven finishing, overlapping straws, and crushing caused by manual swing boxes. The Paper Straw Carboard Packer is controlled by PLC?stable and reliable performance and simple operation.

## 2.Product Parameter of Paper Straw Carboard Packer (Specification)

1	Size	L 1000mm W 600mm H 700mm
2	Motor	Delta AC380V 0.55KWx4
3	Speed	0.2-0.3m/s
4	The way of Pendulum box	Alternate laying
5	Move	According to the width of the continuous straw
6	Total power	6kw
7	Control system	Delta
8	PLC	Delta
9	Touch screen	color touch screen
10	Signal element	Omron
11	Machine size	1550*1470*1795mm

## 3.Production display of Paper Straw Carboard Packer

#### 4?Why choose JHD ?

JHD PACKAGING INDUSTRIES (SHANGHAI) CO., LTD is an innovative manufacturer of paper straw solutions based in Jiangsu Province, China. With a total investment of 8 million USD in a 5000 square meter factory and quickly became a major exporter of qualified and reliable paper straws manufacturing equipment.

Firstly ,JHD is not only have the advanced production equipment?but also have professional technical personal and a large group of skilled worker, so we will strictly control the product quality . the second point is about our service?technical support, on-site service, spare part, and specialized diagnostic tools are available for customer's production systems. we can also provide value-added service?according to customer's requirement, including: consulting and expertise sharing, trouble shooting, on-site supporting & training. We are the experts in this industry, we have the strength to become your partner in China.
